

London TDM

Management and Leadership

Course Venue: United Kingdom - London

Course Date: From 16 August 2026 To 20 August 2026

Course Place: London Paddington

Course Fees: 6,000 USD

Introduction

In the fast-paced world of leadership, executives are frequently called upon to make critical decisions under immense pressure. This five-day professional course is designed to equip executives with the necessary tools and strategies to effectively navigate high-stakes situations and make informed decisions swiftly and confidently. Participants will learn how to manage stress, assess risks, and leverage their team's strengths to ensure optimal outcomes, even in the most challenging scenarios.

Objectives

- Enhance ability to make effective decisions under time constraints and pressure.
- Develop strategies for managing and reducing stress during critical decision-making processes.
- Learn techniques for gathering and analyzing information quickly and efficiently.
- Improve risk assessment and crisis management skills.
- Foster a decision-making environment that leverages team input and collaboration.

Course Outlines

Day 1: Foundations of Decision-Making Under Pressure

- Understanding the psychology of pressure and its impact on decisions
- Identifying personal strengths and weaknesses in decision-making
- Introduction to decision-making frameworks and models
- Assessing personal and organizational decision-making styles
- Case studies of effective decision-making under pressure

Day 2: Risk Assessment and Management

- Fundamentals of risk assessment in high-pressure scenarios
- Tools and techniques for identifying and prioritizing risks
- Developing a risk management plan
