Introduction

The "Influence and Persuasion for C-Suite Leaders" course is designed to enhance executive leaders' abilities to effectively persuade and influence key stakeholders, drive organizational change, and foster a culture of collaboration. Through this 5-day intensive program, C-suite executives will gain advanced insights and tools to communicate with impact and lead with influence in various business environments.

- Understand the principles of persuasion and its impact on leadership effectiveness.
- Develop skills to communicate persuasively in both verbal and non-verbal contexts.
- Apply influence strategies to drive organizational change and innovation.
- Enhance emotional intelligence to better connect and build rapport with stakeholders.
- Adapt persuasion techniques to diverse audiences and business scenarios.

Course Outlines

Day 1: Foundations of Influence and Persuasion

- Introduction to key influence theories and models.
- Understanding the psychology of persuasion.
- Exploring the ethical implications of influence.
- Analyzing real-world case studies of persuasion in leadership.
