Introduction

The "Leading Remote and Hybrid Teams Effectively" course is designed to equip managers and team leaders with the skills and strategies essential for managing geographically dispersed teams. Over five days, participants will explore best practices, tools, and techniques for fostering communication, engagement, and productivity in remote and hybrid work environments.

- Understand the dynamics of remote and hybrid teams.
- Develop strategies for effective communication and collaboration.
- Identify tools and technologies to enhance remote work.
- Learn to maintain team engagement and motivation.
- Build skills for resolving conflicts and building trust remotely.

Course Outlines

Day 1: Understanding Remote and Hybrid Team Dynamics
