Introduction

In today's rapidly evolving business environment, leading organizational change is critical for sustaining competitive advantage. This 5-day course on "Leading Organizational Change in HR" is designed to equip HR professionals with the skills and knowledge needed to effectively manage and implement change initiatives within their organizations. By exploring a variety of change management models, strategies, and techniques, participants will learn how to lead and support organizational transformations that align with the strategic goals of their companies.

Objectives

- Understand the key principles and theories of organizational change management.
- Develop skills to lead and support change initiatives within an organization.
- Identify and overcome common challenges in implementing organizational change.
- Utilize effective communication strategies to engage stakeholders in the change process.
- Design actionable plans to drive successful organizational change in an HR context.
