London TDM

HR Training Courses

Course Venue: United Kingdom - London

Course Date: From 19 July 2026 To 23 July 2026

Course Place: London Paddington

Course Fees: 6,000 USD

Introduction

As technology continues to evolve, the landscape of Human Resources (HR) is transformed profoundly. This course, "Transforming HR Through Technology," is designed to equip HR professionals with the necessary tools and insights to leverage technology effectively. Over five days, participants will explore various technological advancements and learn how to integrate them into HR processes to enhance efficiency, data-driven decision-making, and employee engagement.

- Understand emerging HR technologies and their applications
- Learn to integrate data analytics into HR decisions
- Develop strategies for enhancing employee engagement through technology
- Explore best practices for implementing HR technology systems
- Identify and solve potential challenges in technological transformations

Course Outlines
