

London TDM

HR Training Courses

Course Venue: Malaysia - Kuala Lumpur

Course Date: From 21 June 2026 To 25 June 2026

Course Place: Royale Chulan Hotel

Course Fees: 6,000 USD

Introduction

The "Advanced Recruitment and Selection Techniques" course is designed for HR professionals and hiring managers aiming to strengthen their recruitment processes. Participants will deepen their understanding of contemporary recruitment strategies, learn to integrate data-driven approaches into their hiring practices, and explore innovative tools to enhance selection techniques. By the end of this course, participants will be equipped with the skills needed to effectively attract, assess, and secure top-tier talent in a competitive market.

- Understand contemporary challenges in recruitment and learn innovative solutions.
- Explore advanced sourcing strategies to attract high-quality candidates.
- Integrate data-driven methods into recruitment processes for effective decision-making.
- Enhance candidate evaluation techniques using cutting-edge tools.
- Improve overall recruitment outcomes by implementing end-to-end best practices.
