

London TDM

HR Training Courses

Course Venue: Malaysia - Kuala Lumpur

Course Date: From 12 April 2026 To 16 April 2026

Course Place: Royale Chulan Hotel

Course Fees: 6,000 USD

Introduction

The course "Designing Incentive and Bonus Plans" is designed to equip HR professionals, compensation specialists, and organizational leaders with the knowledge and skills necessary to develop effective incentive and bonus programs. Over five days, participants will explore the strategic importance of incentives, learn best practices in plan design, and discover how to align these programs with organizational goals to drive performance, motivation, and employee satisfaction.

Objectives

- Understand the strategic role of incentive and bonus plans in organizations.
- Learn the key components of designing effective incentive plans.
- Explore various types of bonus systems and their applications.
- Analyze how to align incentive plans with company objectives and culture.
- Develop skills to implement, monitor, and adjust incentive plans.

Course Outlines

Day 1: Introduction to Incentives and Bonus Systems

- Overview of compensation strategies and trends
- The importance of incentives and bonuses in today's workforce
- Types of incentive plans: individual, team, and organizational
- Legal and ethical considerations in incentive plans
