Introduction

This 5-day course on "Labor Law and Industrial Relations" is designed for professionals seeking to deepen their understanding of employment laws and industrial relations. The course aims to provide comprehensive knowledge on various aspects of labor laws, rights and responsibilities of both employers and employees, and practical skills for managing relations within the workplace. Through interactive sessions and case studies, participants will gain insights into effective legal compliance and conflict resolution strategies.

- Understand the fundamental principles of labor law and industrial relations.
- Analyze the rights and obligations of employers and employees in the workplace.
- Navigate legal issues related to employment contracts and termination.
- Implement strategies to manage industrial disputes and negotiations.
- Apply practical skills in legal compliance and workplace conflict resolution.

Course Outlines

Day 1: Introduction to Labor Law

- Overview of Labor Law: Its history and evolution.
- Key labor legislations and regulatory bodies.
- The role of labor law in industrial relations.
- Understanding employment contracts and agreements.
