# Project Management Training Courses

**Course Venue:** Malaysia - Kuala Lumpur

**Course Date:** From 10 May 2026 To 14 May 2026

**Course Place:** Royale Chulan Hotel

**Course Fees:** 6,000 USD

## Introduction

The "Managing Complex and Mega Projects" course is designed for professionals seeking to enhance their skills in handling large-scale and intricate projects. This five-day program provides participants with the necessary tools and strategies to effectively manage the challenges and complexities inherent in such projects, ensuring successful outcomes and stakeholder satisfaction. By leveraging best practices and real-world case studies, attendees will gain valuable insights into the critical factors that influence the success of complex and mega projects.

## Objectives

- Understand the unique characteristics and challenges of complex and mega projects.
- Learn advanced project management techniques and tools.
- Develop skills for effective stakeholder engagement and communication.
- Explore risk management strategies tailored to large-scale projects.
- Gain insights into leading and managing diverse project teams.
