

London TDM

Project Management Training Courses

Course Venue: United Kingdom - London

Course Date: From 26 April 2026 To 30 April 2026

Course Place: London Paddington

Course Fees: 6,000 USD

Introduction

This 5-day professional course is designed to equip project managers with the skills and tools necessary to effectively manage remote and virtual teams. Participants will learn strategies for communication, collaboration, and leadership in a virtual environment, ensuring successful project delivery despite the challenges of distance and diverse work settings.

Objectives

- Understand the dynamics of remote and virtual project teams.
- Develop effective communication strategies for remote teams.
- Learn to use technology tools to enhance team collaboration.
- Implement leadership techniques suitable for virtual environments.
- Manage performance and motivation in remote settings.

Course Outlines
