

London TDM

Health, Safety, and Environment (HSE) Training

Course Venue: Malaysia - Kuala Lumpur

Course Date: From 12 July 2026 To 16 July 2026

Course Place: Royale Chulan Hotel

Course Fees: 6,000 USD

Introduction

The "HSE Leadership for Managers and Supervisors" course is designed to equip leaders with essential health, safety, and environmental (HSE) management skills. Participants will gain insights into creating a culture of safety, understanding regulatory requirements, and implementing effective HSE strategies. This course ensures that managers and supervisors can lead with confidence and commitment to safety excellence.

- Understand the fundamental principles of HSE management.
- Develop leadership skills to promote a safety-first workplace culture.
- Identify and manage potential HSE risks and opportunities.
- Learn to implement and monitor HSE strategies effectively.
- Enhance communication and team-building skills in the context of HSE.
