

London TDM

Health, Safety, and Environment (HSE) Training

Course Venue: Malaysia - Kuala Lumpur

Course Date: From 31 May 2026 To 04 June 2026

Course Place: Royale Chulan Hotel

Course Fees: 6,000 USD

Introduction

This 5-day professional course on Personal Protective Equipment (PPE) Awareness is designed to educate participants on the importance, proper use, and maintenance of PPE in the workplace. The course aims to enhance safety practices by equipping professionals with the knowledge and skills necessary to select and use PPE effectively, thereby minimizing occupational hazards.

- Understand the various types of PPE and their applications.
- Recognize the importance of PPE in ensuring workplace safety.
- Identify potential hazards that require the use of PPE.
- Learn proper techniques for donning, doffing, and maintenance of PPE.
- Develop a safety culture by promoting PPE awareness and compliance.

Course Outlines

Day 1: Introduction to PPE
