Course Place: London Paddington

Course Fees: 6,000 USD

Introduction

This professional course on "Confidentiality and Ethics in Administration" is designed to equip administrators with the knowledge and skills necessary to uphold confidentiality and ethical standards in the workplace. Participants will gain an understanding of ethical principles, learn how to handle sensitive information, and explore the legal aspects of confidentiality. This course aims to foster an ethical culture within administrative contexts, ensuring that professionals act with integrity and accountability.

- Understand the principles of confidentiality in administrative roles.
- Recognize and resolve ethical dilemmas effectively.
- Learn the legal requirements related to confidentiality and data protection.
- Develop strategies for promoting an ethical workplace culture.
- Enhance decision-making skills with a focus on ethics and confidentiality.
