Introduction

This 5-day professional course on "Conflict Resolution in the Office Environment" is designed to equip participants with the essential skills and strategies needed to effectively manage and resolve workplace conflicts. Through a combination of theoretical frameworks and practical exercises, participants will learn to recognize conflict, understand its dynamics, and implement resolution techniques that enhance collaboration and productivity within their teams.

- Understand the sources and types of conflict in the workplace.
- Develop active listening and effective communication skills.
- Learn conflict resolution strategies and negotiation techniques.
- Apply problem-solving methods to resolve disputes amicably.
- Build a positive workplace culture that minimizes conflict potential.
