

London TDM

Legal and Contracts Management Training Courses

Course Venue: Malaysia - Kuala Lumpur

Course Date: From 14 June 2026 To 18 June 2026

Course Place: Royale Chulan Hotel

Course Fees: 6,000 USD

Introduction

This 5-day professional course on Contract Law in the Oil and Gas Industry is designed to provide participants with a comprehensive understanding of the legal frameworks and contract management practices essential to the industry. Participants will gain insights into the intricacies of oil and gas agreements, from exploration and production to distribution, while focusing on risk management and dispute resolution.

Objectives

- Understand the fundamentals of contract law in the oil and gas sector.
- Identify the key components of oil and gas contracts.
- Analyze risk management strategies within these contracts.
- Explore dispute resolution mechanisms specific to the industry.
- Develop skills to negotiate and draft effective contracts.
