Introduction

This comprehensive 5-day course on "ISO 9001:2015 Implementation and Auditing" is designed for professionals seeking to understand the dynamics of implementing and auditing ISO 9001:2015 Quality Management Systems. Participants will gain insights into the standards and learn how to apply them effectively within their organizations.

- Understand the requirements of ISO 9001:2015.
- Learn to implement a Quality Management System (QMS) based on ISO 9001:2015.
- Develop skills to audit ISO 9001:2015 QMS effectively.
- Identify tools and techniques for continuous improvement.
- Enhance competence in managing and sustaining ISO 9001:2015 certification.

Course Outlines

Day 1: Introduction to ISO 9001:2015
