

London TDM

Soft Skills and Personal Development Training Courses

Course Venue: United Kingdom - London

Course Date: From 21 June 2026 To 25 June 2026

Course Place: London Paddington

Course Fees: 6,000 USD

Introduction

Building effective relationships in the workplace is crucial for personal success and organizational growth. This five-day professional course is designed to equip participants with the skills and knowledge necessary to establish and maintain positive and productive workplace relationships. Through interactive sessions, participants will explore strategies to enhance communication, collaboration, and conflict resolution skills, ultimately fostering a more harmonious and efficient work environment.

Objectives

- Understand the importance of workplace relationships and their impact on organizational success.
- Learn techniques to enhance communication and active listening skills.
- Develop strategies for effective collaboration and teamwork.
- Identify and resolve workplace conflicts effectively.
- Foster a positive and inclusive workplace culture.
