

London TDM

Soft Skills and Personal Development Training Courses

Course Venue: Malaysia - Kuala Lumpur

Course Date: From 03 May 2026 To 07 May 2026

Course Place: Royale Chulan Hotel

Course Fees: 6,000 USD

Introduction

Self-awareness and personal reflection are critical components of personal and professional growth. This 5-day professional course is designed to help individuals understand themselves better and harness their potential. Participants will engage in activities that foster self-discovery, mind clarity, emotional intelligence, and goal setting for a purposeful life journey.

Objectives

- Understand the concept and importance of self-awareness.
- Enhance personal reflection skills for continuous self-improvement.
- Identify personal values, strengths, and areas for growth.
- Develop effective strategies for emotional regulation and resilience.
- Set and pursue meaningful personal and professional goals.

Course Outlines

Day 1: Introduction to Self-Awareness

- Definition and significance of self-awareness.
- Exploring the Johari Window model.
- Identifying personal blind spots.
- Techniques for increasing self-observation.
- Self-awareness exercises and activities.

Day 2: Tools for Personal Reflection

- Introduction to reflective practices.
