Security Management and Risk Protection Training Courses

Course Venue: Malaysia - Kuala Lumpur

Course Date: From 21 June 2026 To 25 June 2026

Course Place: Royale Chulan Hotel

Course Fees: 6,000 USD

Introduction

This comprehensive 5-day professional course is designed to equip law enforcement personnel, event managers, and security professionals with the necessary skills and knowledge for effective crowd control and public order management. With a focus on real-world applications, participants will learn the latest techniques and strategies to ensure safety and order during public events, demonstrations, and emergencies.

Objectives

- Understand the principles and importance of crowd control and public order management.
- Identify and apply strategies to manage large crowds effectively and safely.
- Develop skills to assess risk and make informed decisions during public gatherings.
- Learn about communication techniques for de-escalating potentially volatile situations.
- Foster collaboration with community stakeholders to enhance public safety measures.
