London TDM

Security Management and Risk Protection Training Courses

Course Venue: Malaysia - Kuala Lumpur

Course Date: From 26 April 2026 To 30 April 2026

Course Place: Royale Chullan Hotel

Course Fees: 6,000 USD

Introduction

This 5-day professional course on "Security Audits and Compliance Checks" is designed to equip participants with the essential skills and knowledge to effectively conduct security audits and ensure compliance with relevant regulations. Through in-depth analysis, practical exercises, and expert-led discussions, attendees will learn how to identify, assess, and mitigate security risks within an organization, ensuring adherence to industry standards and legal requirements.

Objectives

- Understand the fundamentals of security audits and compliance checks.
- Identify key security risks and vulnerabilities in an organization.
- Develop comprehensive audit plans and compliance check strategies.
- Perform effective audits and communicate findings and recommendations.
- Ensure ongoing compliance with evolving regulations and standards.

Course Outlines
