Security Management and Risk Protection Training Courses

Course Venue: Malaysia - Kuala Lumpur

Course Date: From 31 May 2026 To 04 June 2026

Course Place: Royale Chulan Hotel

Course Fees: 6,000 USD

Introduction

The "Travel Security and International Risk Management" course equips professionals with the knowledge and skills to navigate and manage potential threats faced during international travel. Participants will learn to assess risks, implement security measures and develop strategies to ensure personal and organizational safety while abroad.

- Understand the fundamentals of international travel security and risk management.
- Identify and evaluate potential risks in foreign environments.
- Develop and implement effective travel security plans.
- Respond to and manage crises while traveling overseas.
- Foster a culture of security awareness within organizational frameworks.
